I. INTRODUCTION

In accordance with 18 C.F.R. §39.10, the North American Electric Reliability Corporation (“NERC”) requests the Commission’s approval of amendments to the Bylaws of ReliabilityFirst Corporation (“ReliabilityFirst”). ReliabilityFirst is one of the Regional Entities to which NERC has delegated certain of NERC’s statutory functions under §215 of the Federal Power Act (“FPA”), pursuant to a delegation agreement between NERC and ReliabilityFirst that has been approved by the Commission.1 Attachment A to this filing is a “clean” version of the ReliabilityFirst Bylaws incorporating the proposed amendments. Attachment B is a redlined version of the proposed amended ReliabilityFirst Bylaws showing the amendments that are the subject of this filing in legislative style. Attachment B is redlined against the ReliabilityFirst Bylaws that were included in Exhibit B to the executed copy of the Amended and Restated Delegation Agreement between NERC and ReliabilityFirst (“NERC-ReliabilityFirst Delegation Agreement”) filed with the Commission on April 7, 2008 in Docket RR07-4-002.2

The ReliabilityFirst Bylaws amendments that are the subject of this filing consist of two substantive amendments and a number of typographical or clerical corrections and revisions. The two substantive amendments are (1) a revision to the definition of “Adjunct Member” in

2 The executed Amended and Restated NERC-ReliabilityFirst Delegation Agreement filed with the Commission on April 7, 2008 had been filed with the Commission on October 30, 2007 as part of NERC’s compliance filing to the April 19 2007 Order. In its Order issued March 21, 2008, the Commission accepted the Amended and Restated NERC-ReliabilityFirst Delegation Agreement, to become effective 15 days after the date of that Order, but directed further revisions (see note 3 below). North American Electric Reliability Corp., et. al, Order Addressing Revised Delegation Agreements, 122 FERC ¶ 61,245 (2008) (“March 21, 2008 Order”), at P 180.
§1.2 and (2) a revision to the definition of “Related Party” in §1.26 (both of these sections are in Article I, Definitions, of the ReliabilityFirst Bylaws):

(1) The revision to the definition of “Adjunct Member” will make the description of the approval process for Adjunct Members consistent with the approval process for other categories of membership in ReliabilityFirst.

(2) The revision to the definition of “Related Party” addresses concerns of Members of ReliabilityFirst that the previous definition was too broad and was unnecessarily preventing entities from becoming Regular Members of ReliabilityFirst and thereby exercising rights as Regular Members.

The non-substantive amendments to the ReliabilityFirst Bylaws correct page numbers in the Table of Contents, correct a heading in the Table of Contents to match the heading in the body of the Bylaws, and correct certain cross-references and captions within the Bylaws.3

The ReliabilityFirst Bylaws amendments that are the subject of this filing were approved by the Members of ReliabilityFirst on December 6, 2007. ReliabilityFirst submitted the amended Bylaws to NERC for approval on January 11, 2008. Attachment C to this filing is the January 11, 2008 letter from ReliabilityFirst to NERC requesting approval of the Bylaws amendments by the NERC Board of Trustees.4 On February 12, 2008, the NERC Board of Trustees approved the amendments to the ReliabilityFirst Bylaws.

II. NOTICES AND COMMUNICATIONS

Notices and communications with respect to this filing may be addressed to:

3 There are other amendments to the ReliabilityFirst Bylaws currently pending before the Commission, as part of the July 21, 2008 “Compliance Filing of the North American Electric Reliability Corporation in Response to March 21, 2008 Order” in Docket Nos. RR06-1-017 and RR07-4-004. Those proposed amendments are shown in legislative style in the amended ReliabilityFirst Bylaws included in Exhibit B to the revised NERC-Reliability First Delegation Agreement provided in Attachment 7B to the July 21, 2008 Compliance Filing. The amendments to the ReliabilityFirst Bylaws submitted in the July 21, 2008 Compliance Filing have been made in response to Commission directives in the March 21, 2008 Order; the amendments that are the subject of the instant filing have been adopted for other reasons.

4 Attachment C does not include the clean and redlined versions of the ReliabilityFirst Bylaws provided with the January 11, 2008 letter, since these are provided as Attachments A and B.
III. BASIS AND PURPOSE OF THE
PROPOSED AMENDMENTS TO THE RELIABILITYFIRST BYLAWS

Section 39.10(a) of the Commission’s regulations states, in pertinent part:

A Regional Entity shall submit a Regional Entity Rule or Rule change to the Electric Reliability Organization and, if approved by the Electric Reliability Organization, the Electric Reliability Organization shall file the proposed Regional Entity Rule or Rule change with the Commission for approval. Any filing by the Electric Reliability Organization shall be accompanied by an explanation of the basis and purpose for the Rule or Rule change, together with a description of the proceedings conducted by the Electric Reliability Organization or Regional Entity to develop the proposal.

Section 39.1 of the Commission’s regulations defines “Regional Entity Rule” for purposes of Part 39 as “the bylaws, a rule of procedure or other organizational rule or protocol of a Regional Entity.” Therefore, the proposed amendments to the ReliabilityFirst Bylaws are subject to the requirements of §39.10.5

---

5 See also April 19 2007 Order at P 333, describing ReliabilityFirst’s Bylaws as “rules” under the Commission’s regulations, which are subject to approval by NERC and, if approved by NERC, to Commission approval.
This section of this filing describes the basis and purpose for the proposed amendments to the ReliabilityFirst Bylaws. Section IV of this filing describes the proceedings conducted by ReliabilityFirst and by NERC to approve the proposed Bylaws amendments.

A. Substantive Amendments

1. Proposed Amendment to §1.2 of the Bylaws

ReliabilityFirst has changed the definition of “Adjunct Member” in §1.2 of its Bylaws to make the description of the approval process for Adjunct Members consistent with the approval process for other categories of Membership in ReliabilityFirst.6 Section 5.4 of the Bylaws, “Admission of Members,” describes the admission process for Members, and provides that “[t]he President shall have authority to approve an application for membership, subject to review by the Board.” This provision conflicted with the definition of “Adjunct Member,” which provided for approval of such membership only by the Board, without a role for the President of ReliabilityFirst. Accordingly, ReliabilityFirst is proposing to revise §1.2 to delete “by the Board” from the definition of “Adjunct Member,” as follows:

“Adjunct Member” shall mean any entity that does not qualify to join an Industry Sector but has been approved for membership by the Board. Adjunct Members may include Regulatory Participants.

2. Proposed Amendment to §1.26 of the Bylaws

ReliabilityFirst is proposing to change the definition of “Related Party” in §1.26 of its Bylaws to address the concern of Members of ReliabilityFirst that the current definition is too broad and unnecessarily prevents entities from becoming Regular Members and thereby exercising the rights of Regular Members. “Regular Member” is defined in §1.24 of the Bylaws

---

6 Section 1.15 of the Bylaws defines “Members” as “Regular Members, Associate Members and Adjunct Members.” “Regular Member” is defined in §1.24 and “Associate Member” is defined in §1.4.
as “any entity that has joined an Industry Sector that either (i) has no Affiliates or Related Parties
that are Members or (ii) is the entity designated to be the Regular Member by any related group
of Associate Members.” The current definition of “Related Party,” which was promulgated
before the NERC Compliance Registry was fully developed and operational, includes “any entity
that is either (i) a generation and transmission cooperative or one of its distribution cooperative
members; and (ii) a joint municipal agency or one of its members.” Therefore, the current
definition may prevent a distribution cooperative from becoming a Regular Member if its
generation and transmission cooperative is already a Regular Member, or prevent a municipal
utility from becoming a Regular Member if the joint municipal agency with which it is
associated is already a Regular Member.

The proposed amended definition of “Related Party” draws upon the NERC Compliance
Registry and the distinctions the Compliance Registry uses, so that the Bylaws will now
distinguish between entities that are Related Parties and entities that should not be considered
Related Parties and therefore should qualify for Regular Member status on their own.
Specifically, in the amended definition, the phrase “either (i) a generation and transmission
cooperative or one of its distribution cooperative members; and (ii) a joint municipal agency or
one of its members” is deleted and replaced by “registered as part of another entity or is
registered for other entities in the NERC Compliance Registry”:

“Related Party” shall mean, solely for purposes of the governance provisions of
these Bylaws, any entity that is either (i) a generation and transmission
cooperative or one of its distribution cooperative members; and (ii) a joint
municipal agency or one of its members registered as part of another entity or is
registered for other entities in the NERC Compliance Registry. For purposes of
these Bylaws, a representative of a state or federal government agency shall not
be deemed a Related Party with respect to each other, and a public body’s
regulatory authority, if any, over a Member shall not be deemed to make it a
Related Party with respect to that Member.
B. Non-Substantive Amendments

Following are the non-substantive amendments to the ReliabilityFirst Bylaws, all of which are shown in legislative style in Attachment B.

a. Table of Contents: Corrected page references for §§1.9, 1.19 and 1.26.

b. Table of Contents: Corrected title of §5.9.2 to match section title in the body of the Bylaws.

c. §6.6.2: Corrected cross-reference from §6.5.3 to §6.6.3.

d. §6.6.3(a): Corrected cross-reference from §17.1 to §19.1.

e. §16.1: Deleted extraneous word “Standards” from title of section.

IV. APPROVAL PROCESS FOR THE BYLAWS AMENDMENTS

ReliabilityFirst adopted the proposed amendments to its Bylaws pursuant to the procedures specified in the Bylaws. Section 19.1 of the Bylaws, “Amendment of Bylaws,” specifies that the Members of ReliabilityFirst have the power to amend the Bylaws as set out in §6.6.3. Section 6.6.3 provides that to amend the Bylaws, the Members must receive notice of the “substance of the proposed amendment” in the notice of the meeting at which the vote on the amendment will take place. Then, at the meeting of Members, at least two-thirds of the Industry Sector votes must favor the amendment.

As stated in Attachment C, ReliabilityFirst followed the above-described procedures in adopting the proposed amendments to its Bylaws. Before the meeting at which the ReliabilityFirst Members were to vote on the proposed amendments, the Members received the required notice of the substance of the proposed amendments. At the meeting, which was held

8 Section 6.6 of the Bylaws explains the mechanics of the vote itself, including the balanced use of Industry Sectors.
on December 6, 2007, more than the required two-thirds of the Industry Sector votes were in favor of the proposed amendments, resulting in ratification of the proposed amendments.

On January 11, 2008, ReliabilityFirst transmitted its written request to NERC requesting approval of the proposed Bylaws amendments by NERC, to be followed by submission to the Commission for approval (see Attachment C). At its meeting held on February 12, 2008, the NERC Board of Trustees approved the proposed amendments to the ReliabilityFirst Bylaws and directed that an appropriate filing be made with the Commission for approval of the amendments to the ReliabilityFirst Bylaws.

V. CONCLUSION

For the reasons discussed above, NERC respectfully requests that the Commission approve the proposed amendments to the Bylaws of ReliabilityFirst Corporation.

Respectfully submitted,

A Regional Variance may not be inconsistent with any Reliability Standard as it would otherwise exist without the Regional Variance. Such a Regional Variance may be proposed by a Regional Entity and, if adopted by NERC and approved by the Commission, shall be enforced within the applicable Regional Entity or Regional Entities pursuant to delegated authority.

Section 1.23. **Regional Reliability Standard.** "Regional Reliability Standard" shall mean a type of Reliability Standard that is applicable only within a particular Regional Entity or group of Regional Entities. Each Regular Member and Associate Member shall designate the Industry Sector it wishes to join. A Regular Member and Associate Member may change its Industry Sector designation once each calendar year upon notice to the Corporation. Such notice must be provided to the Secretary of the Corporation at least sixty (60) days before an annual or other meeting of Members if the change is to be effective for such meeting. The President shall review a membership application and may request demonstration by the applicant that it qualifies for membership in a particular Industry Sector. Any dispute with respect to a Regular Member’s or Associate Member’s qualifications for a particular Industry Sector shall be resolved by the Board. The President shall have authority to approve an application for membership, subject to review by the Board.

Section 5.5. **Voting Rights.** Each Regular Member in good standing shall be entitled to one vote in the Industry Sector in which it belongs on all matters submitted to a vote of Members. The vote of each Industry Sector shall be split into an affirmative component based on votes for the matter(s) presented, and a negative component based on votes against the matter(s) presented, in direct proportion to the votes cast within the Industry Sector for and against the matter presented, rounded to two decimal places. By applying for and becoming a Regular or Associate Member of the Corporation, each Member agrees to comply with all Reliability Standards, all NERC standards and requirements, and the other obligations of Members of the Corporation set forth in these Bylaws or duly adopted by the Board in order to achieve the purposes of the Corporation. A Regular or Associate Member also agrees to obligate all of its Affiliates that have an impact on reliability in the Region to comply with all Reliability Standards and NERC standards and requirements. These obligations include but are not limited to: (a) obligations to provide data and information needed to perform the functions of the Corporation, (b) payment of any authorized penalties resulting from non-compliance with Reliability Standards, (c) in the case of Regular Members, electing the Board, and (d) providing qualified candidates to serve on organizational working groups. Adjunct Members agree to provide data and information needed to perform the functions of the Corporation.

Section 5.8. Withdrawal. A Member may withdraw from participation in the Corporation by providing written notice to the Corporation of such withdrawal. Such notice shall specify a date, not earlier than thirty (30) days from the date of notice, on which the withdrawal shall become effective; provided, however, that any such withdrawing Member shall remain liable to the Corporation for any dues or penalties or other obligations to the Corporation pursuant to Section 5.9 of these Bylaws.

The Board of Directors may from time to time fix the amount of user-fees or other charges, if any, for activities that are not delegated to the Corporation by NERC under the Delegation Agreement and determine the methods of collection from entities that choose to participate in such activities.

Section 5.10. Penalties. If the Corporation initiates an investigation that leads to the imposition of a penalty, the Corporation shall receive any penalty monies that results from the investigation. All monies which the Corporation collects from the issuance of penalties shall be applied as a general offset to the Corporation’s budget requirements for the subsequent fiscal year. Funds from financial penalties shall not be directly applied to any program maintained by the Corporation.

ARTICLE VI.
MEETING OF MEMBERS

Section 6.1. Annual Meeting of Members. The Members shall hold an annual meeting in December of each year, or at such other time specified by the Board. At the annual meeting of Members: (i) each Industry Sector shall elect the successor(s), if any, for any director(s) from their Industry Sector whose term will expire before the next annual meeting of the Members, provided however, that any Industry Sector may elect a successor director representing such Industry Sector prior to such annual meeting, in accordance with the provisions of this Article VI, in which case the election of such succeeding director(s) shall be reported to the Corporation at such annual meeting; (ii) the President and Treasurer shall report on the activities and financial condition of the Corporation; (iii) the Industry Sectors shall elect a slate of at-large and independent directors to fill vacancies or expiring terms; and (iv) the Industry Sectors shall consider and act upon such other matters as are consistent with the notice of the annual meeting. The failure to hold an annual meeting in accordance with these Bylaws shall not affect the validity of a corporate action.

Section 6.2. Special Meetings of Members. Special meetings of the Members may be called by six (6) directors on the Board, by the President, or by Members if at least ten percent (10%) of the Regular Members sign, date, and deliver to the President one or more written demands for a special meeting describing the purpose for which it is to be held. Within fifteen (15) days after receipt of a demand for a special meeting from Regular Members, the President shall cause a special meeting to be called and held on notice in accordance with Section 6.4 of these Bylaws. If the President fails to cause a special meeting to be called and held as required by this Section 6.2, a Regular Member making the demand may call the meeting by giving notice under Section 6.4. In either event, notice of the meeting and the costs of the meeting shall be at the expense of the Corporation. The business transacted at a special meeting is limited to the purposes stated within the notice of the meeting. Business transacted at a special meeting that is not included in those stated purposes is voidable by or on behalf of the Corporation, unless ninety percent (90%) of the Regular Members entitled to vote were present at such meeting or have waived notice of the meeting under Section 6.4.
Section 6.3. **Location of Meetings of Members.** Meetings of Members shall be held at a location designated by the President or the Board. If a Regular Member calls a meeting pursuant to Section 6.2, the Regular Members making the demand for the meeting may designate the location, provided the meeting must be held within the Region and in a facility of appropriate size to accommodate the Members.

Section 6.4. **Notice of Meetings.**

6.4.1 **Notice Requirements.** Notice of meetings of Members must be given at least five (5) days before the date of a meeting and not more than sixty (60) days before the date of a meeting. The notice must contain the date, time and place of the meeting, instructions for electronic attendance or voting, if applicable, and an agenda of the matters upon which action may be taken at the meeting. A matter may be added to the agenda of a meeting at the meeting upon the affirmative vote of three-quarters (3/4) of the Industry Sector votes cast on a motion to amend the agenda. If the meeting is an adjourned meeting and the date, time and place of the meeting were announced at the time of the adjournment, notice is not required unless a new record date for the adjourned meeting is or must be fixed. Notice shall be deemed given by the Corporation to the Members when (a) posted on the Corporation’s public website in a reasonably prominent location, and (b) sent by mail, facsimile or reputable overnight delivery service or by electronic transmission to each Member’s representative authorized pursuant to section 6.10.1

6.4.2 **Waiver of Notice; Objections.** A Member may waive notice of a meeting of Members. A waiver of notice by a Member entitled to notice is effective whether given before, at, or after the meeting, and whether given in writing, or by attendance. Attendance by a Member at a meeting is a waiver of notice of that meeting, unless the Member objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and does not participate in the consideration of the item at that meeting.

Section 6.5. **Record Date.** The Board may fix a date not more than sixty (60) days before the date of a meeting of Members as the date for the determination of the Members entitled to notice of and entitled to vote at the meeting. When a date is so fixed, only Members on that date are entitled to notice and to vote at the meeting unless the Board fixes a new date for determining the right to notice and to vote, which it must do if the meeting is adjourned to a date more than sixty (60) days after the record date for determining Members entitled to notice of the original meeting.

Section 6.6. **Right to Vote; Act of Members.**

6.6.1 **Industry Sector Voting.** Voting of the Members shall be by Industry Sector, with each Industry Sector entitled to cast one vote. Each Member entitled to vote in an Industry Sector shall be entitled to cast one vote in its Industry Sector. The vote of each Industry Sector shall be split into an affirmative component based on votes for the pending motion, and a negative component based on votes against the pending motion, in direct proportion to the votes cast within the Industry Sector for and against the pending motion, rounded to two decimal places. To the extent practicable, all
Member votes may be held electronically under such terms and conditions as are approved by the Board.

6.6.2 Act of Members. If a quorum is present, except with respect to any matter described in Section 6.6.3, a majority of the Industry Sector votes cast on the matter shall be the act of the Members.

6.6.3 Special Voting Requirements. Notwithstanding any other provision of these Bylaws, and except as set forth in the Certificate of Incorporation and Section 13.2 of these Bylaws, two-thirds (2/3) of the Industry Sector votes cast shall be required to:

(a) Amend the Bylaws, except as otherwise provided in Section 19.1 of these Bylaws. The substance of the proposed amendment must be contained in the notice of the meeting at which the vote will be taken; however, the Members may modify a proposed Bylaw amendment at the meeting.

(b) Approve any proposal to terminate the Corporation.

Section 6.7. Quorum. A quorum for a meeting of Members is a majority of the Regular Members entitled to vote in each Industry Sector at the meeting. A quorum for a meeting of an Industry Sector is a majority of the Regular Members of that Industry Sector entitled to vote at the meeting. In both cases, electronic participation is acceptable if authorized by the Board. A quorum is necessary for the transaction of business at a meeting of Members or of any Industry Sector. If a quorum is not present, a meeting may be adjourned for that reason by the Industry Sectors or Regular Members then represented or present.

Section 6.8. Action by Written Ballot. An action that may be taken at a regular or special meeting of Members may be taken without a meeting if the Corporation mails or delivers a written ballot to every Regular Member entitled to vote on the matter. Approval by written ballot is valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. Solicitations for votes by written ballot must:
(i) indicate the number of responses needed to meet the quorum requirements; (ii) state the percentage of approvals necessary to approve the matter; (iii) specify the time by which a ballot must be received by the Corporation in order to be counted; and (iv) may not be revoked once received.

Section 6.9. Action by Electronic Communication. Any vote of an Industry Sector to elect a director or for any other purpose may be taken by electronic means without a meeting or during a meeting. In addition, a conference among Members by a means of communication through which the participants may simultaneously hear each other during the conference is a meeting of the Members, if the same notice is given of the conference as would be required for a meeting and if the number of persons participating in the conference is a quorum. Participation in a meeting by this means is personal presence at the meeting. A Member may participate in a meeting of the
Members by a means of communication through which the Member, other persons participating, and all persons physically present at the meeting may simultaneously communicate with each other during the meeting. Participation in a meeting by this means constitutes personal presence at the meeting.

Section 6.10. Member Representatives; Proxies.

6.10.1 Designation of Representative. Each year prior to the annual meeting of Members, each Regular Member shall designate the individual authorized to vote on Corporation matters on behalf of the Member, in accordance with procedures approved by the Board. A Regular Member may change such designation at any time by providing at least twenty-four (24) hour written notice to the Secretary of the Corporation. Such notice may be provided by electronic transmission.

6.10.2 Authorization. The individual designated to vote by a Regular Member may appoint a proxy to vote or otherwise act for the Regular Member at any meeting or by electronic transmission by signing an appointment form either personally or by an attorney so designated by the Regular Member.

6.10.3 Effective Period. An appointment of a proxy is effective when received by the Secretary or other officer or agent authorized to tabulate votes. An appointment is valid for the next regular or specially scheduled meeting or ballot by electronic transmission. However, a proxy is not valid for more than sixty (60) days from its date of execution.

6.10.4 Revocation. An appointment of a proxy is revocable by a Regular Member. Appointment of a proxy is revoked by the person appointing the proxy either by open declaration at a meeting or by signing and delivering a written revocation to the Secretary or other officer or agent authorized to tabulate proxy votes. This may be done either in a written statement that the appointment of the proxy is revoked or by a subsequent appointment that shall serve to cancel all prior proxies.

Section 6.11. Public Notice of Member Meetings. Notice to the public of the dates, times and places of meetings of the Members, and all nonconfidential material provided to the Members, shall be posted on the Corporation’s website at approximately the same time that notice is given to the Members. Meetings of the Members shall be open to the public, subject to reasonable limitations due to the availability and size of meeting facilities; provided, that the meeting may be held in or adjourn to closed session to discuss matters of a confidential nature, including, but not limited to, personnel matters, compliance and enforcement matters, litigation or commercially sensitive or critical infrastructure information of a Member or other Person.

Section 6.12. Posting of Minutes. Minutes of meetings of Members shall be posted on the Corporation’s website when available.

Section 15.2. Limitations on Liability. As provided in Article Fourteenth of the Certificate of Incorporation, a director of the Corporation shall not be personally liable to the Corporation or its Members for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director’s duty of loyalty to the Corporation or its Members, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law or (iv) for any transaction from which the director derived any improper personal benefit. If the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability
of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended. Any repeal or modification of Article Fifteenth of these Bylaws by the Members of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

Section 15.3. Right to Indemnification.

15.3.1 Indemnified Persons. Each person who was or is made a party or is threatened to be made a party to or is involved in or called as a witness in any Proceeding because he or she is an Indemnified Person shall be indemnified and held harmless by the Corporation to the fullest extent permitted under the Delaware General Corporation Law (the “DGCL”), as the same now exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than the DGCL permitted the Corporation to provide prior to such amendment). Such indemnification shall cover all expenses incurred by an Indemnified Person (including, but not limited to, attorneys’ fees and other expenses of litigation) and all liabilities and losses (including, but not limited to, judgments, fines, ERISA or other excise taxes or penalties and amounts paid or to be paid in settlement) incurred by such person in connection therewith.

15.3.2 Denial of Authorization for Certain Proceedings. Notwithstanding anything to the contrary in this Section 15.3, except with respect to indemnification of Indemnified Persons specified in paragraph 15.3.3 of this Section 15.3, the Corporation shall indemnify an Indemnified Person in connection with a Proceeding (or part thereof) initiated by such person only if authorization for such Proceeding (or part thereof) was not denied by the Board of the Corporation prior to the earlier of 60 days after receipt of notice thereof from such Indemnified Person.

15.3.3 Certain Defined Terms. For purposes of this Section 15.3, the following terms shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

(1) a “Proceeding” is any investigation, action, suit or proceeding, whether civil, criminal, administrative or investigative, and any appeal therefrom.

(2) an “Indemnified Person” is a person who is, was, or had agreed to become a Director of the Corporation (including, in the case of such person seeking indemnification while serving as a Director who is or was an officer of the Corporation, such person in his capacity as an officer.)

15.3.4 Expenses. Expenses, including attorneys’ fees, incurred by a person indemnified pursuant to paragraph 15.3.1 in defending or otherwise being involved in a Proceeding shall be paid by the Corporation in advance of the final disposition of such Proceeding, including any appeal therefrom, upon receipt of an undertaking (the “Undertaking”) by or on behalf of such person to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation; provided that in connection with a Proceeding (or part thereof) initiated by such person,
except a Proceeding authorized by paragraph 15.3.5, the Corporation shall pay said expenses in advance of final disposition only if authorization for such Proceeding (or part thereof) was not denied by the Board of the Corporation prior to the earlier of 60 days after receipt of a request for such advancement accompanied by the Undertaking. A person to whom expenses are advanced pursuant hereto shall not be obligated to repay such expenses until the final determination of any pending Proceeding in a court of competent jurisdiction concerning the right of such person to be indemnified or the obligation of such person to repay such expenses.

15.3.5 Protection of Rights. If a claim by an Indemnified Person under paragraph 15.3.1 is not promptly paid in full by the Corporation after a written claim has been received by the Corporation or if expenses pursuant to paragraph 15.3.4 have not been promptly advanced after a written request for such advancement by an Indemnified Person (accompanied by the Undertaking required by paragraph 15.3.4) have been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim or the advancement of expenses. If successful, in whole or in part, in such suit, such claimant shall also be entitled to be paid the reasonable expense thereof. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any Proceeding in advance of its final disposition where the Undertaking has been tendered to the Corporation that indemnification of the claimant is prohibited by law, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including the Board, independent legal counsel, or the Members) to have made a determination, if required, prior to the commencement of such action that indemnification of the claimant is proper in the circumstances, nor an actual determination by the Corporation (including the Board, independent legal counsel, or the Members) that indemnification of the claimant is prohibited, shall be a defense to the action or create a presumption that indemnification of the claimant is prohibited.

15.3.6 Miscellaneous.

(a) Non-Exclusivity of Rights. The rights conferred on any person by this Section 15.3 shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaw, agreement, vote of Members or disinterested directors or otherwise. The Board shall have the authority, by resolution, to provide for such other indemnification of directors, and such indemnification of officers, delegates, employees, agents, or others of the Corporation as it shall deem appropriate.

(b) Insurance, contracts, and funding. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee, delegate or agent of the Corporation against any expenses, liabilities or losses, whether or not the Corporation would have the power to indemnify such person against such expenses, liabilities or losses under the DGCL. The Corporation may enter into contracts with any director, officer, or employee of the Corporation in furtherance of the provisions of this Section 15.3 and may create a trust fund, grant a security interest or use other means (including, without limitation, a letter
of credit) to ensure the payment of such amounts as may be necessary to effect
the advancing of expenses and indemnification as provided in such contracts or
as otherwise provided in this Section 15.3.

(c) Contractual nature. The provisions of this Section 15.3 shall
continue as to a person who has ceased to be a director and shall inure to the
benefit of the heirs, executors and administrators of such person. This Section
15.3 shall be deemed to be a contract between the Corporation and each person
who, at any time that this Section 15.3 is in effect, serves or agrees to serve in
any capacity which entitles him to indemnification and advancement of expenses
hereunder and any repeal or other modification of this Section 15.3 or any repeal
or modification of the DGCL or any other applicable law shall not limit any rights
of indemnification for Proceedings then existing or arising out of events, acts or
omissions occurring prior to such repeal or modification, including, without
limitation, the right to indemnification and advancement of expenses for
Proceedings commenced after such repeal or modification to enforce this Section
15.3 with regard to Proceedings arising out of acts, omissions or events arising
prior to such repeal or modification.

(d) Cooperation. Each Indemnified Person shall cooperate with the
person, persons or entity making the determination with respect to such
Indemnified Person’s entitlement to indemnification under this Section 15.3,
including providing to such person, persons or entity upon reasonable advance
request any documentation or information which is not privileged or otherwise
protected from disclosure and which is reasonably available to such Indemnified
Person and reasonably necessary to such determination. Any costs or expenses
(including attorneys’ fees and disbursements) incurred by such Indemnified
Person in so cooperating with the person, persons or entity making such
determination shall be borne by the Corporation (irrespective of the determination
as to such Indemnified Person’s entitlement to indemnification) and the
Corporation hereby indemnifies and agrees to hold such Indemnified Person
harmless therefrom.

(e) Subrogation. In the event of any payment under this Section 15.3
to an Indemnified Person, the Corporation shall be subrogated to the extent of
such payment to all of the rights of recovery of such Indemnified Person, who
shall execute all papers required and take all action necessary to secure such
rights, including execution of such documents as are necessary to enable the
Corporation to bring suit to enforce such rights.

(f) Severability. If this Section 15.3 or any portion hereof shall be
invalidated or held to be unenforceable on any ground by any court of competent
jurisdiction, the decision of which shall not have been reversed on appeal, this
Section 15.3 shall be deemed to be modified to the minimum extent necessary to
avoid a violation of law and, as so modified, this Section 15.3 and the remaining
provisions hereof shall remain valid and enforceable in accordance with their
terms to the fullest extent permitted by law.
ARTICLE XVI.
TRANSITION

Section 16.1. Transition Standards. The Corporation will use the existing standards, criteria, rules or guides from each existing reliability council region for those Members that join the Corporation as in effect immediately prior to formation of the Corporation until such standards, criteria, rules or guides are adopted, superseded, or rejected by the Corporation. The Corporation will establish any necessary transition committees, subcommittees, working groups or task forces to administer the existing regional reliability standards, criteria, rules and guides until they are adopted, superseded, or rejected by the Corporation. The Corporation will employ its best efforts, within two (2) years of its formation, to work toward a uniform set of Reliability Standards for the entire Region. The Board will develop and implement a standards process and a plan for transition to new Reliability Standards. This process will include a requirement that two-thirds of the directors present at a meeting must vote to adopt new Reliability Standards.

ARTICLE XVII.
PARTICIPATION BY REGULATORY PARTICIPANTS

Section 17.1. Regulatory Participants. All Regulatory Participants shall be entitled to and be provided with the same rights to notice of and participation in meetings or other activities of the Corporation as are provided to Members, but shall not have the right to vote.

ARTICLE XVIII.
BUDGET AND BUSINESS PLAN

Section 18.1. Budget and Business Plan. Each annual budget and business plan of the Corporation shall be approved by the Board in sufficient time in each fiscal year to allow for timely submittal of the approved annual budget and business plan to NERC in accordance with the NERC Rules. The Corporation shall post a draft of each budget and business plan on the Corporation’s website for purposes of review and comment by the Members at least ten (10) days prior to the Board meeting at which the budget and business plan are to be approved.

ARTICLE XIX.
AMENDMENT OF BYLAWS

Section 19.1. Amendment Of Bylaws. The power to adopt, amend or repeal these Bylaws is vested in the Members as set forth in Section 6.6.3 of these Bylaws; provided, however, that upon the passage of any federal electric reliability legislation, and/or the adoption of any rules or regulations of the Commission, NERC or other governmental entity with jurisdiction, the Board shall have authority to amend these Bylaws as necessary and appropriate to comply with such law, legislation, rules and regulations.

Section 1.3. Affiliate. “Affiliate” shall mean, with respect to any entity, any other entity that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with, such entity, as determined in the sole discretion of the Board of the Corporation. For this purpose, “control” may be presumed by the direct or indirect ownership of ten percent (10%) or more of the outstanding voting capital stock or other equity interests having ordinary voting power.

Section 1.4. Associate Member. “Associate Member” shall mean any entity that has joined an Industry Sector and is an Affiliate or Related Party of a Regular Member.

Section 1.5. Board. “Board” shall mean the Board of Directors of the Corporation.

Section 1.6. Bulk Power System. “Bulk Power System” shall mean facilities and control systems necessary for operating an interconnected electric energy transmission network (or any portion thereof) and electric energy from generation facilities needed to maintain transmission system reliability, but does not include facilities used in the local distribution of electricity.

Section 1.7. Certificate of Incorporation. “Certificate of Incorporation” shall mean the Certificate of Incorporation of the Corporation filed with the Delaware Secretary of State, as from time to time amended.

Section 1.9. **Delegation Agreement.** “Delegation Agreement” shall mean the delegation agreement, as supplemented or amended from time to time, between NERC and the Corporation pursuant to which NERC has delegated its authority to the Corporation to propose and enforce Reliability Standards within the Region.

Section 1.10. **Electronic Transmission.** “Electronic transmission” shall mean any form of communication, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

Section 1.11. **ERO.** “ERO” shall mean the electric reliability organization established under the Act to enforce Reliability Standards applicable to all owners, operators and users of the Bulk Power System in North America.

Section 1.12. **Industry Sector.** “Industry Sector” shall mean a group of Bulk Power System owners, operators or users in the Region with substantially similar interests as pertinent to the purposes and operations of the Corporation of the Bulk Power System. The Industry Sectors shall consist of the following: (1) Suppliers, (2) Transmission Companies, (3) RTOs, (4) Small LSEs, (5) Medium LSEs, and (6) Large LSEs.

Section 1.13. **Large LSEs.** “Large LSEs” shall mean entities that serve, or whose Related Parties serve, end use load with annual energy delivery to such load in the Region of 50,000 GWh or greater.

Section 1.14. **Medium LSEs.** “Medium LSEs” shall mean entities that serve, or whose Related Parties serve, end use load with annual energy delivery to such load in the Region between 10,000 GWh and 50,000 GWh.

Section 1.15. **Members.** “Members” shall mean Regular Members, Associate Members and Adjunct Members.

Section 1.16. **NERC.** “NERC” shall mean the North American Electric Reliability Corporation, or any successor entity, which has been certified by the Commission as the ERO pursuant to the Act to establish and enforce Reliability Standards for the Bulk Power System.

Section 1.17. **NERC Rules.** “NERC Rules” shall mean the NERC Rules of Procedure as approved by the Commission.

Section 1.18. **Net Energy for Load.** “Net Energy for Load” shall mean net generation of an electric system plus energy received from others less energy delivered to others through interchange. It includes system losses, but excludes energy required for storage of energy at energy storage facilities. Calculations of net energy for load for all purposes under these Bylaws shall be based on the most recent calendar year for which data on net energy for load of the Region is available.

Section 1.20. **Region**. “Region” shall mean the geographic boundaries of the Corporation described in the Delegation Agreement.

Section 1.21. **Regional Entity**. “Regional Entity” shall mean any entity with which NERC has entered into a delegation agreement to delegate, or which the Commission or a governmental authority in Canada or Mexico has directly assigned, enforcement authority for reliability standards for the Bulk Power System in a defined geographic area of North America.

Section 1.22. **Regional Variance**. “Regional Variance” shall mean an aspect of a Reliability Standard that applies only within a particular Regional Entity or group of Regional Entities. A Regional Variance may be used to qualify how a particular Regional Entity or Regional Entities achieves the objectives of a Reliability Standard or may establish different measures or performance criteria as necessary to achieve reliability within the particular Regional Entity or group of Regional Entities. A Regional Variance may not be inconsistent with any Reliability Standard as it would otherwise exist without the Regional Variance. Such a Regional Variance may be proposed by a Regional Entity and, if adopted by NERC and approved by the Commission, shall be enforced within the applicable Regional Entity or Regional Entities pursuant to delegated authority.

Section 1.23. **Regional Reliability Standard**. “Regional Reliability Standard” shall mean a type of Reliability Standard that is applicable only within a particular Regional Entity or group of Regional Entities. A Regional Reliability Standard may augment, add detail to, or implement another Reliability Standard or cover matters not addressed by other Reliability Standards. The failure to hold an annual meeting in accordance with these Bylaws shall not affect the validity of a corporate action.

**Section 6.2. Special Meetings of Members.** Special meetings of the Members may be called by six (6) directors on the Board, by the President, or by Members if at least ten percent (10%) of the Regular Members sign, date, and deliver to the President one or more written demands for a special meeting describing the purpose for which it is to be held. Within fifteen (15) days after receipt of a demand for a special meeting from Regular Members, the President shall cause a special meeting to be called and held on notice in accordance with Section 6.4 of these Bylaws. If the President fails to cause a special meeting to be called and held as required by this Section 6.2, a Regular Member making the demand may call the meeting by giving notice under Section 6.4. In either event, notice of the meeting and the costs of the meeting shall be at the expense of the Corporation. The business transacted at a special meeting is limited to the purposes stated within the notice of the meeting. Business transacted at a special meeting that is not included in those stated purposes is voidable by or on behalf of the Corporation, unless ninety percent (90%) of the Regular Members entitled to vote were present at such meeting or have waived notice of the meeting under Section 6.4.
Section 6.3. **Location of Meetings of Members.** Meetings of Members shall be held at a location designated by the President or the Board. Section 6.4. **Notice of Meetings.**

6.4.1 **Notice Requirements.** Notice of meetings of Members must be given at least five (5) days before the date of a meeting and not more than sixty (60) days before the date of a meeting. The notice must contain the date, time and place of the meeting, instructions for electronic attendance or voting, if applicable, and an agenda of the matters upon which action may be taken at the meeting. A matter may be added to the agenda of a meeting at the meeting upon the affirmative vote of three-quarters (3/4) of the Industry Sector votes cast on a motion to amend the agenda. If the meeting is an adjourned meeting and the date, time and place of the meeting were announced at the time of the adjournment, notice is not required unless a new record date for the adjourned meeting is or must be fixed. Notice shall be deemed given by the Corporation to the Members when (a) posted on the Corporation’s public website in a reasonably prominent location, and (b) sent by mail, facsimile or reputable overnight delivery service or by electronic transmission to each Member’s representative authorized pursuant to section 6.10.1

6.4.2 **Waiver of Notice; Objections.** A Member may waive notice of a meeting of Members. A waiver of notice by a Member entitled to notice is effective whether given before, at, or after the meeting, and whether given in writing, or by attendance. Attendance by a Member at a meeting is a waiver of notice of that meeting, unless the Member objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and does not participate in the consideration of the item at that meeting.

Section 6.5. **Record Date.** The Board may fix a date not more than sixty (60) days before the date of a meeting of Members as the date for the determination of the Members entitled to notice of and entitled to vote at the meeting. When a date is so fixed, only Members on that date are entitled to notice and to vote at the meeting unless the Board fixes a new date for determining the right to notice and to vote, which it must do if the meeting is adjourned to a date more than sixty (60) days after the record date for determining Members entitled to notice of the original meeting.

Section 6.6. **Right to Vote; Act of Members.**

6.6.1 **Industry Sector Voting.** Voting of the Members shall be by Industry Sector, with each Industry Sector entitled to cast one vote. Each Member entitled to vote in an Industry Sector shall be entitled to cast one vote in its Industry Sector. The vote of each Industry Sector shall be split into an affirmative component based on votes for the pending motion, and a negative component based on votes against the pending motion, in direct proportion to the votes cast within the Industry Sector for and against the pending motion, rounded to two decimal places. To the extent practicable, all
Member votes may be held electronically under such terms and conditions as are approved by the Board.

6.6.2 Act of Members. If a quorum is present, except with respect to any matter described in Section [6.5.3][6.6.3], a majority of the Industry Sector votes cast on the matter shall be the act of the Members.

6.6.3 Special Voting Requirements. Notwithstanding any other provision of these Bylaws, and except as set forth in the Certificate of Incorporation and Section 13.2 of these Bylaws, two-thirds (2/3) of the Industry Sector votes cast shall be required to:

(a) Amend the Bylaws, except as otherwise provided in Section [17.1][19.1] of these Bylaws. The substance of the proposed amendment must be contained in the notice of the meeting at which the vote will be taken; however, the Members may modify a proposed Bylaw amendment at the meeting.

(b) Approve any proposal to terminate the Corporation.

Section 6.7. Quorum. A quorum for a meeting of Members is a majority of the Regular Members entitled to vote in each Industry Sector at the meeting. A quorum for a meeting of an Industry Sector is a majority of the Regular Members of that Industry Sector entitled to vote at the meeting. In both cases, electronic participation is acceptable if authorized by the Board. A quorum is necessary for the transaction of business at a meeting of Members or of any Industry Sector. If a quorum is not present, a meeting may be adjourned for that reason by the Industry Sectors or Regular Members then represented or present.

Section 6.8. Action by Written Ballot. An action that may be taken at a regular or special meeting of Members may be taken without a meeting if the Corporation mails or delivers a written ballot to every Regular Member entitled to vote on the matter. Approval by written ballot is valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. Solicitations for votes by written ballot must: (i) indicate the number of responses needed to meet the quorum requirements; (ii) state the percentage of approvals necessary to approve the matter; (iii) specify the time by which a ballot must be received by the Corporation in order to be counted; and (iv) may not be revoked once received.

Section 6.9. Action by Electronic Communication. Any vote of an Industry Sector to elect a director or for any other purpose may be taken by electronic means without a meeting or during a meeting. In addition, a conference among Members by a means of communication through which the participants may simultaneously hear each other during the conference is a meeting of the Members, if the same notice is given of the conference as would be required for a meeting and if the number of persons participating in the conference is a quorum. Participation in a meeting by this means is personal presence at the meeting. A Member may participate in a meeting of the
Members by a means of communication through which the Member, other persons participating, and all persons physically present at the meeting may simultaneously communicate with each other during the meeting. Participation in a meeting by this means constitutes personal presence at the meeting.

A Regular Member may change such designation at any time by providing at least twenty-four (24) hour written notice to the Secretary of the Corporation. Such notice may be provided by electronic transmission.

6.10.2 **Authorization.** The individual designated to vote by a Regular Member may appoint a proxy to vote or otherwise act for the Regular Member at any meeting or by electronic transmission by signing an appointment form either personally or by an attorney so designated by the Regular Member.

6.10.3 **Effective Period.** An appointment of a proxy is effective when received by the Secretary or other officer or agent authorized to tabulate votes. An appointment is valid for the next regular or specially scheduled meeting or ballot by electronic transmission. However, a proxy is not valid for more than sixty (60) days from its date of execution.

6.10.4 **Revocation.** An appointment of a proxy is revocable by a Regular Member. Appointment of a proxy is revoked by the person appointing the proxy either by open declaration at a meeting or by signing and delivering a written revocation to the Secretary or other officer or agent authorized to tabulate proxy votes. This may be done either in a written statement that the appointment of the proxy is revoked or by a subsequent appointment that shall serve to cancel all prior proxies.

Section 6.11. Public Notice of Member Meetings. Notice to the public of the dates, times and places of meetings of the Members, and all nonconfidential material provided to the Members, shall be posted on the Corporation’s website at approximately the same time that notice is given to the Members. Meetings of the Members shall be open to the public, subject to reasonable limitations due to the availability and size of meeting facilities; provided, that the meeting may be held in or adjourn to closed session to discuss matters of a confidential nature, including, but not limited to, personnel matters, compliance and enforcement matters, litigation or commercially sensitive or critical infrastructure information of a Member or other Person.

Section 14.4. **Gifts.** The Board may accept on behalf of the Corporation any contribution, gift, bequest, or devise for any purpose of the Corporation.

**ARTICLE XV.**

**INSURANCE, LIMITATION ON LIABILITY AND INDEMNIFICATION**

Section 15.2. **Limitations on Liability.** As provided in Article Fourteenth of the Certificate of Incorporation, a director of the Corporation shall not be personally liable to the Corporation or its Members for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its Members, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law or (iv) for any transaction from which the director derived any improper personal benefit. If the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability...
of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended. Any repeal or modification of Article Fifteenth of these Bylaws by the Members of the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

Section 15.3. Right to Indemnification.

15.3.1 Indemnified Persons. Each person who was or is made a party or is threatened to be made a party to or is involved in or called as a witness in any Proceeding because he or she is an Indemnified Person shall be indemnified and held harmless by the Corporation to the fullest extent permitted under the Delaware General Corporation Law (the “DGCL”), as the same now exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than the DGCL permitted the Corporation to provide prior to such amendment). Such indemnification shall cover all expenses incurred by an Indemnified Person (including, but not limited to, attorneys’ fees and other expenses of litigation) and all liabilities and losses (including, but not limited to, judgments, fines, ERISA or other excise taxes or penalties and amounts paid or to be paid in settlement) incurred by such person in connection therewith.

15.3.2 Denial of Authorization for Certain Proceedings. Notwithstanding anything to the contrary in this Section 15.3, except with respect to indemnification of Indemnified Persons specified in paragraph 15.3.3 of this Section 15.3, the Corporation shall indemnify an Indemnified Person in connection with a Proceeding (or part thereof) initiated by such person only if authorization for such Proceeding (or part thereof) was not denied by the Board of the Corporation prior to the earlier of 60 days after receipt of notice thereof from such Indemnified Person.

15.3.3 Certain Defined Terms. For purposes of this Section 15.3, the following terms shall have the following meanings (such meanings to be equally applicable to both the singular and plural forms of the terms defined):

   (1) a “Proceeding” is any investigation, action, suit or proceeding, whether civil, criminal, administrative or investigative, and any appeal therefrom.

   (2) an “Indemnified Person” is a person who is, was, or had agreed to become a Director of the Corporation (including, in the case of such person seeking indemnification while serving as a Director who is or was an officer of the Corporation, such person in his capacity as an officer.)

15.3.4 Expenses. Expenses, including attorneys’ fees, incurred by a person indemnified pursuant to paragraph 15.3.1 in defending or otherwise being involved in a Proceeding shall be paid by the Corporation in advance of the final disposition of such Proceeding, including any appeal therefrom, upon receipt of an undertaking (the “Undertaking”) by or on behalf of such person to repay such amount if it shall ultimately be determined that he or she is not entitled to be indemnified by the Corporation; provided that in connection with a Proceeding (or part thereof) initiated by such person,
except a Proceeding authorized by paragraph 15.3.5, the Corporation shall pay said expenses in advance of final disposition only if authorization for such Proceeding (or part thereof) was not denied by the Board of the Corporation prior to the earlier of 60 days after receipt of a request for such advancement accompanied by the Undertaking. A person to whom expenses are advanced pursuant hereto shall not be obligated to repay such expenses until the final determination of any pending Proceeding in a court of competent jurisdiction concerning the right of such person to be indemnified or the obligation of such person to repay such expenses.

15.3.5 Protection of Rights. If a claim by an Indemnified Person under paragraph 15.3.1 is not promptly paid in full by the Corporation after a written claim has been received by the Corporation or if expenses pursuant to paragraph 15.3.4 have not been promptly advanced after a written request for such advancement by an Indemnified Person (accompanied by the Undertaking required by paragraph 15.3.4) has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim or the advancement of expenses. If successful, in whole or in part, in such suit, such claimant shall also be entitled to be paid the reasonable expense thereof. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any Proceeding in advance of its final disposition where the Undertaking has been tendered to the Corporation that indemnification of the claimant is prohibited by law, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including the Board, independent legal counsel, or the Members) to have made a determination, if required, prior to the commencement of such action that indemnification of the claimant is proper in the circumstances, nor an actual determination by the Corporation (including the Board, independent legal counsel, or the Members) that indemnification of the claimant is prohibited, shall be a defense to the action or create a presumption that indemnification of the claimant is prohibited.

15.3.6 Miscellaneous.

(a) Non-Exclusivity of Rights. The rights conferred on any person by this Section 15.3 shall not be exclusive of any other rights which such person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, Bylaw, agreement, vote of Members or disinterested directors or otherwise. The Board shall have the authority, by resolution, to provide for such other indemnification of directors, and such indemnification of officers, delegates, employees, agents, or others of the Corporation as it shall deem appropriate.

(b) Insurance, contracts, and funding. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee, delegate or agent of the Corporation against any expenses, liabilities or losses, whether or not the Corporation would have the power to indemnify such person against such expenses, liabilities or losses under the DGCL. The Corporation may enter into contracts with any director, officer, or employee of the Corporation in furtherance of the provisions of this Section 15.3 and may create a trust fund, grant a security interest or use other means (including, without limitation, a letter
of credit) to ensure the payment of such amounts as may be necessary to effect
the advancing of expenses and indemnification as provided in such contracts or
as otherwise provided in this Section 15.3.

(c) **Contractual nature.** The provisions of this Section 15.3 shall
continue as to a person who has ceased to be a director and shall inure to the
benefit of the heirs, executors and administrators of such person. This Section
15.3 shall be deemed to be a contract between the Corporation and each person
who, at any time that this Section 15.3 is in effect, serves or agrees to serve in
any capacity which entitles him to indemnification and advancement of expenses
hereunder and any repeal or other modification of this Section 15.3 or any repeal
or modification of the DGCL or any other applicable law shall not limit any rights
of indemnification for Proceedings then existing or arising out of events, acts or
omissions occurring prior to such repeal or modification, including, without
limitation, the right to indemnification and advancement of expenses for
Proceedings commenced after such repeal or modification to enforce this Section
15.3 with regard to Proceedings arising out of acts, omissions or events arising
prior to such repeal or modification.

(d) **Cooperation.** Each Indemnified Person shall cooperate with the
person, persons or entity making the determination with respect to such
Indemnified Person’s entitlement to indemnification under this Section 15.3,
including providing to such person, persons or entity upon reasonable advance
request any documentation or information which is not privileged or otherwise
protected from disclosure and which is reasonably available to such Indemnified
Person and reasonably necessary to such determination. Any costs or expenses
(including attorneys’ fees and disbursements) incurred by such Indemnified
Person in so cooperating with the person, persons or entity making such
determination shall be borne by the Corporation (irrespective of the determination
as to such Indemnified Person’s entitlement to indemnification) and the
Corporation hereby indemnifies and agrees to hold such Indemnified Person
harmless therefrom.

(e) **Subrogation.** In the event of any payment under this Section 15.3
to an Indemnified Person, the Corporation shall be subrogated to the extent of
such payment to all of the rights of recovery of such Indemnified Person, who
shall execute all papers required and take all action necessary to secure such
rights, including execution of such documents as are necessary to enable the
Corporation to bring suit to enforce such rights.

(f) **Severability.** If this Section 15.3 or any portion hereof shall be
invalidated or held to be unenforceable on any ground by any court of competent
jurisdiction, the decision of which shall not have been reversed on appeal, this
Section 15.3 shall be deemed to be modified to the minimum extent necessary to
avoid a violation of law and, as so modified, this Section 15.3 and the remaining
provisions hereof shall remain valid and enforceable in accordance with their
terms to the fullest extent permitted by law.
ARTICLE XVI.
TRANSITION

Section 16.1. Transition Standards. [Standards—] The Corporation will use the existing standards, criteria, rules or guides from each existing reliability council region for those Members that join the Corporation as in effect immediately prior to formation of the Corporation until such standards, criteria, rules or guides are adopted, superseded, or rejected by the Corporation. The Corporation will establish any necessary transition committees, subcommittees, working groups or task forces to administer the existing regional reliability standards, criteria, rules and guides until they are adopted, superseded, or rejected by the Corporation. The Corporation will employ its best efforts, within two (2) years of its formation, to work toward a uniform set of Reliability Standards for the entire Region. The Board will develop and implement a standards process and a plan for transition to new Reliability Standards. This process will include a requirement that two-thirds of the directors present at a meeting must vote to adopt new Reliability Standards.

ARTICLE XVII.
PARTICIPATION BY REGULATORY PARTICIPANTS

Section 17.1. Regulatory Participants. All Regulatory Participants shall be entitled to and be provided with the same rights to notice of and participation in meetings or other activities of the Corporation as are provided to Members, but shall not have the right to vote.

ARTICLE XVIII.
BUDGET AND BUSINESS PLAN

Section 18.1. Budget and Business Plan. Each annual budget and business plan of the Corporation shall be approved by the Board in sufficient time in each fiscal year to allow for timely submittal of the approved annual budget and business plan to NERC in accordance with the NERC Rules. The Corporation shall post a draft of each budget and business plan on the Corporation’s website for purposes of review and comment by the Members at least ten (10) days prior to the Board meeting at which the budget and business plan are to be approved.

ARTICLE XIX.
AMENDMENT OF BYLAWS

Section 19.1. Amendment Of Bylaws. The power to adopt, amend or repeal these Bylaws is vested in the Members as set forth in Section 6.6.3 of these Bylaws; provided, however, that upon the passage of any federal electric reliability legislation, and/or the adoption of any rules or regulations of the Commission, NERC or other governmental entity with jurisdiction, the Board shall have authority to amend these Bylaws as necessary and appropriate to comply with such law, legislation, rules and regulations.

LETTER FROM RELIABILITYFIRST CORPORATION TO NERC

REQUESTING APPROVAL OF THE PROPOSED AMENDMENTS TO

THE BYLAWS OF RELIABILITYFIRST CORPORATION
January 11, 2008

Mr. David Cook  
Vice President and General Counsel  
North American Electric Reliability Corporation  
Princeton Forrestal Village  
116-390 Village Boulevard  
Princeton, NJ 08540-5721

Dear Mr. Cook:

Please find attached to this letter the Amended and Restated Bylaws of ReliabilityFirst Corporation (“ReliabilityFirst”) reflecting amendments to the bylaws approved by the Members of ReliabilityFirst on December 6, 2007 (Attachments A and B—clean and redlined versions). The Members of ReliabilityFirst approved these amendments to address two substantive changes. ReliabilityFirst has also made a handful of typographical changes to correct errors in the bylaws as they existed before December 6. ReliabilityFirst requests that the North American Electric Reliability Corporation (“NERC”) approve these amendments to the ReliabilityFirst bylaws and file the revised bylaws with the Federal Energy Regulatory Commission (“FERC” or “Commission”) for approval.

With this filing, ReliabilityFirst seeks to satisfy the requirements of the Commission’s regulations regarding changes to Regional Entity Rules. As specified by Part 39 of the Commission’s regulations, 18 C.F.R. §39.1 (2007), the bylaws of a Regional Entity such as ReliabilityFirst are Regional Entity Rules. As such, the Commission’s regulations require that any changes or revisions to the ReliabilityFirst bylaws must be approved by NERC, as the Electric Reliability Organization, and then submitted by NERC to the Commission for approval. See 18 C.F.R. § 39.10 (2007); see also North American Electric Reliability Council et al., 119 FERC ¶ 61,060 at P 333 (2007) (“April 19 Order”) (describing ReliabilityFirst’s bylaws as “‘rules,’ under our regulations, which are subject to NERC approval and, if approved by NERC, Commission approval”).

The Commission’s regulations require that when NERC submits changes in Regional Entity Rules to the Commission, NERC must explain “the basis and purpose for the Rule or Rule change, together with a description of the proceedings conducted by the . . . Regional Entity to develop the proposal.” 18 C.F.R. § 39.10. To assist NERC in complying with this regulation, and to aid NERC in its independent consideration of the amendments to the ReliabilityFirst bylaws, ReliabilityFirst is supplying the information requested by the regulations.
I. The Basis and Purpose for the Amendments to the ReliabilityFirst Bylaws

A. Substantive Amendments

The Members of ReliabilityFirst approved the following two substantive amendments to the ReliabilityFirst Bylaws:

Section 1.2: ReliabilityFirst has changed the definition of “Adjunct Member” to make the description of the approval process for Adjunct Members consistent with the approval process for other categories of Membership. Section 5.4 describes the admission process for Members, and provides that “[t]he President shall have authority to approve an application for membership, subject to review by the Board.” This conflicted with the previous definition of “Adjunct Member,” which had provided for approval of membership only by the Board, without a role for the President.

To resolve this conflict, ReliabilityFirst has revised Section 1.2 to drop “by the Board” from the definition of Adjunct Member:

“Adjunct Member” shall mean any entity that does not qualify to join an Industry Sector but has been approved for membership by the Board. Adjunct Members may include Regulatory Participants.

Section 1.26: ReliabilityFirst has changed the definition of “Related Party” to reflect the concern of the Members of ReliabilityFirst that the earlier definition was too broad and unnecessarily prevented entities from becoming Regular Members and thereby exercising the rights pertaining to Regular Membership. This difficulty arose in large part because the definition of “Related Party” was drafted before the NERC Compliance Registry was fully developed and operational. The new definition draws upon the NERC Compliance Registry, and the distinctions the Registry uses, so that the bylaws now distinguish between entities that are Related Parties and entities that should not be considered Related Parties and therefore should qualify for Regular Membership in their own right.

To accomplish this, ReliabilityFirst has revised Section 1.26 to drop “either (i) a generation and transmission cooperative or one of its distribution cooperative members; and (ii) a joint municipal agency or one of its members” and to add “registered as part of another entity or is registered for other entities in the NERC Compliance Registry”:

“Related Party” shall mean, solely for purposes of the governance provisions of these Bylaws, any entity that is either (i) a generation and transmission cooperative or one of its distribution cooperative members; and (ii) a joint municipal agency or one of its members registered as part of another entity or is registered for other entities
in the NERC Compliance Registry. For purposes of these Bylaws, a representative of a state or federal government agency shall not be deemed a Related Party with respect to each other, and a public body’s regulatory authority, if any, over a Member shall not be deemed to make it a Related Party with respect to that Member.

B. Changes to Correct Typographical Errors

ReliabilityFirst has also made several changes to correct typographical errors in the ReliabilityFirst Bylaws. Each change is reflected in the redlined version of the bylaws included as Attachment B. These changes include, for example:

- Correcting page numbers in the table of contents;
- Correcting a heading in the table of contents to match the heading in the body of the bylaws; and
- Correcting cross-references within the bylaws.

ReliabilityFirst believes that the amendments do not affect its delegated authority under Section 39.8 of the Commission’s regulations.

II. The Proceedings Conducted by ReliabilityFirst to Amend the Bylaws

As the Commission has found, ReliabilityFirst has a hybrid independent and balanced stakeholder board with sector voting, thus, as the Commission indicated, “[ReliabilityFirst’s] board composition and voting protocols are designed to ensure that [ReliabilityFirst] will be governed by an appropriate balance of stakeholder interests.” April 19 Order, 119 FERC ¶ 61,060 at P 331. The procedures for amending the bylaws reflect this balance.

To approve the preceding amendments to the ReliabilityFirst bylaws, ReliabilityFirst followed the amendment process contained in the bylaws themselves. As explained in Section 19.1 of the bylaws, entitled “Amendment of Bylaws,” the Members of ReliabilityFirst have the power to amend the bylaws as set out in Section 6.6.3. Section 6.6.3 explains that to amend the bylaws the Members must receive notice of the “substance of the proposed amendment” in the notice of

\[1\] Section 19.1 also explains that the Board can, by itself, amend the ReliabilityFirst bylaws if new reliability legislation is passed or if the Commission, NERC, or another government authority with appropriate jurisdiction adopts regulations that require an amendment. However, this does not apply to the amendments discussed in this filing.
the meeting at which the vote will take place. Then, at the meeting itself, at least two-thirds (2/3) of the Industry Sector votes must favor the amendment.

ReliabilityFirst has followed these procedures in making the substantive amendments to its bylaws. Before the meeting at which the ReliabilityFirst Members were to vote on the amendments, the Members received the required notice of the substance of the proposed amendments. Then, at the meeting itself, more than the required two-thirds of the Industry Sector votes were in favor of the amendments. This resulted in the ratification of the proposed amendments.

III. Conclusion

Wherefore, ReliabilityFirst respectfully requests that NERC consider and approve the foregoing amendments to the ReliabilityFirst bylaws and submit these amendments to the Commission for its approval as changes to the rules of a Regional Entity, in accordance with Section 39.10 of the Commission’s regulations.

Sincerely,

Timothy R. Gallagher
President
ReliabilityFirst Corporation
